Seniors

Senior Spirit High During Final Year

The year started out slowly as the teacher strike halted most senior activities. There was a senior float which placed second in the Homecoming float competition. For the third straight year, the seniors placed first in the hall decoration contest during Homecoming week. At several pep assemblies, even though the number of seniors was low, the spirit was high.

For the first time the senior trip was split. Part of the students went on a cruise to the Caribbean and part went to Hawaii for seven days over Easter Vacation.

The senior class welcomed two students from different countries. Krista VonReiche came to Davison from Germany and Ramon Felix from the Phillipeans.

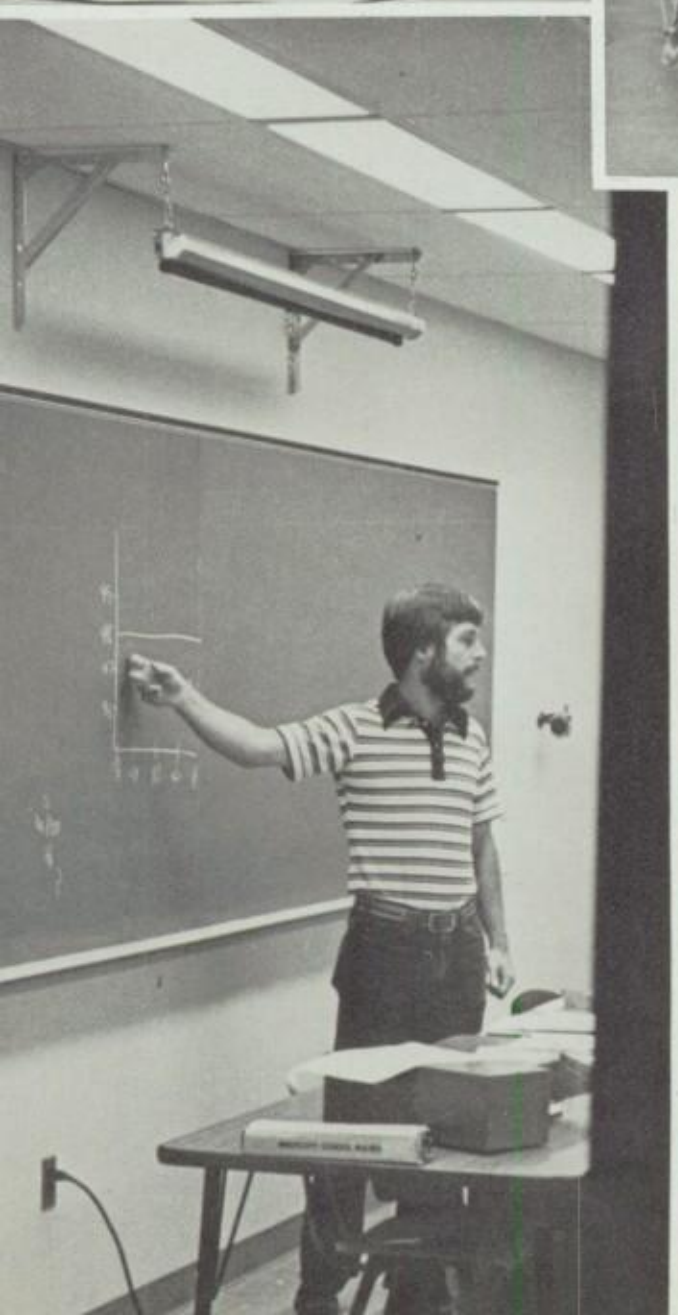
Curriculum



A Conflict Filled Year

Conflicts, changes and successes marked the Board of Education's year.

The Davison Education Association went on strike in September, and when the issue was finally resolved, students had been out of the classrooms eight days.

Voters rejected the millage proposal twice, and as a result, approximately $125,000 in cuts were made. Many programs were drastically reduced, particularly athletics.

Due to a legal suit that the district won against the firm that roofed the high school, the district received monies with which most programs were restored.

Dr. Earl J. MacArthur resigned his post on the board, and was replaced by Eugene S. Baldwin.

1. DAVISON BOARD OF EDUCATION: Mr. Russell Alger, Mrs. Maxine Ude, Mrs. Valerie Johnston, Mr. Eugene Baldwin, Mr. James Dowsett and Mrs. Janice Borradaile. 2. Davison teachers hit the picket line.

CENTRAL ADMINISTRATION: Superintendent Robert Amble, Business Manager Donovan Green, Curriculum Director Robert Hernbroth, Assistant Superintendent Robert Hill, Director of Community Education Robert Regan.

Numerous Changes In 1978

The administrators of Davison had a very busy year, filled with conflicts, issues, and changes. With money gained from a law suit, most of the programs cut because of the defeated millage were restored.

Counselors were once again a part of DHS. Again they were kept busy with student problems, and everyday crises. A new innovation on the part of the administration saw each counselor being assigned to one of the four classes. Bob DeMain to the class of 1978, Carole Papson to the class of 1979, Hope Laitala to the class of '80, and Dick DeLoge to the class of '81.

Continuing with the innovations, each class was assigned a grade principal and office, so that each class received more personal attention.

Another innovation this year was the introduction of homerooms. For 12 minutes every day, attendance was dealt with as well as other business, like announcements, meetings, and the selling of the INNOVATOR and DAVISONIAN.

Half way through the year, a change in the starting time of the Senior and Junior Highs was made so as to enable the buses more time to pick up the elementary students. School began and ended 10 minutes earlier.

THIRD ROW: Robert DeMain, Hope Laitala and Carole Papson. 3. Ralph Coaster and Carole Papson discuss a problem. 4. Denise Buda takes advantage of the phone in the main office.

New Duties Keep Secretaries Busy

Because of the new attendance policy, there were many changes that took place among the secretaries.

The biggest change was job assignments. All secretaries became involved in handling attendance. The secretaries who in the past had worked with all grade levels, changed to working only with specified grade levels. Duties such as handling report cards, schedules, and attendance records were divided up among the secretaries according to the grade level they were handling.

Betty Sills took the new job as attendance secretary.

1. Marie Frazee refiles material for Jay Kipp. 2. Mabel Knowlton sorts a pile of notes and messages. Secretaries; Lois Demarr, Mary Diehl, Joan Faber, Collie Golec, Mabel Knowlton, Cassie Mieslik, Betty Sills, Barbara Wiseman, Helene Rutty.

Special Services From Special People

Paraprofessionals, were the people who helped students in vocationally oriented classrooms, but mostly tried to help students on an individual basis. Paraprofessionals helped students with the skills they were trying to obtain through vocational classes, the skills they need to get a job directly after high school without additional schooling. The need for paraprofessionals in vocational classes is great because students not intending on any more schooling need more attention in learning the skills of the class than of that of other high school classes.

New to the staff of paraprofessionals was Jerry Neil, who helped out in the Auto Body classroom.

The special education teachers helped those students who needed extra help.

Special Education Teachers: June Mann, and Chris Reed. 3. Rick Denny examines a students welding job. 4. Paraprofessionals; 1ST ROW: John Smith, Tony McComb, Rick Denny. 2ND ROW: Brenda Swartz, Jerry Neil, Dr. Hubert Edwards, Martha Seybold, Murial Preston.

Quiet! Study Zone

The Media Center was an important part of high school life. To many students it was a place to sit and peacefully recall the days events. To some it was a place to start or even finish papers and projects. It was used for research as well as for leisure reading.

The Media Center, through a government program, received hundreds of new paperback books which were used strictly for leisure reading.

Mary Wehrle replaced Maryann Liikala on the Media Center staff.

1. Carol Koerner explains duties to library assistants; Shari Thorp, Carol Cockerill, Mike Binder, and Sandy Glasco. 2. Carol Koerner does some research for a student. 3. Bonnie Donnelly keeps busy during the day.

Involved Individuals Can Be Found Here

The teachers in the Science Department had a busy year. Aside from their normal teaching activities many showed their school spirit by becoming club sponsors, coaches, and volunteers for the many extracurricular activities.

Mr. Richard MacLachlan, who formerly taught at the Junior High, joined the department and is teaching Action Biology.

Even with the tight money situation many of the teachers recieved new text books. Mr. Tom Tuttle recieved new texts for his earth science classes. Mr. Bill Eller recieved two new text books, one for his Anatomy & Physiology class, and another for his Biology class.

Students as well as teachers had an eventful year in the science department. Students from the chemistry classes went on field trips throughout the year, as well as giving lab demonstrations at the Junior High and elementary schools. Mr. Eller's Anatomy & Physiology class performed a cat dissection. The Physics classes participated in their annual Egg Drop, as well as constructing and launching rockets.

Speakers Enliven Year

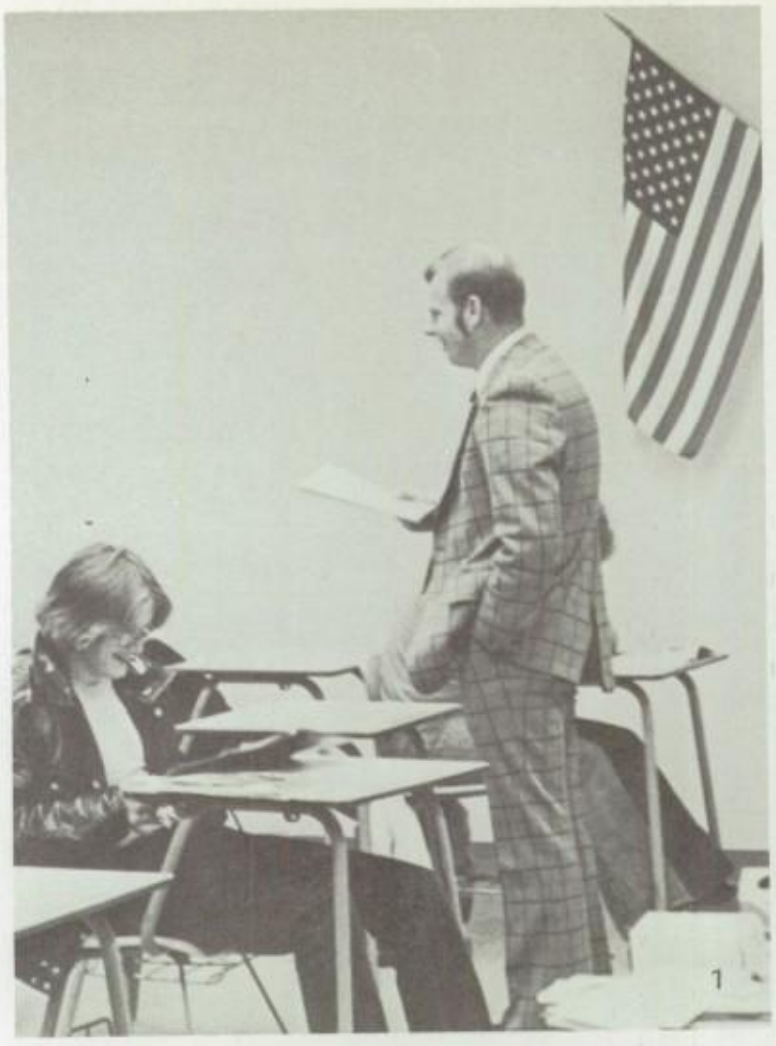
The English department was busy preparing D.H.S. students for the future. They accomplished it in many ways, one of which was by using guest speakers who represented many of the career fields that interest students taking those classes.

A large majority of the speakers were invited by Miss Chris Brock's Group Discussion class. Some of the careers represented were: prosecuting attorney, police officer, modeling instructor, D.J., park ranger, a social worker and many others.

Miss Deborah Toombs classes went to U of M Flint to observe its new theater, and visited Whiting Auditorium.

A new addition to the English department was Mr. Mark Ciolek, who previously taught at the Junior High.

Class sizes in the English department seem to be going down. Most of the classes recorded decreases of 5-10 students each.



1. John Bale puts humor into one of his lectures. 2. Diane Smith makes arrangements for one of her many guest speakers. 3. Joani MacAuthur and Deborah Toombs are "friends" on Friendship Day. 4. Chris Jared and Dave Hergenreder are doing a commercial for "Hergy's Health Spa". 5. Craig Hardy is engrossed as he critiques Creative Writing II short stories.

Practice Makes Perfect

Preparing students for their careers by "learning while doing" was the goal of the vocation department.

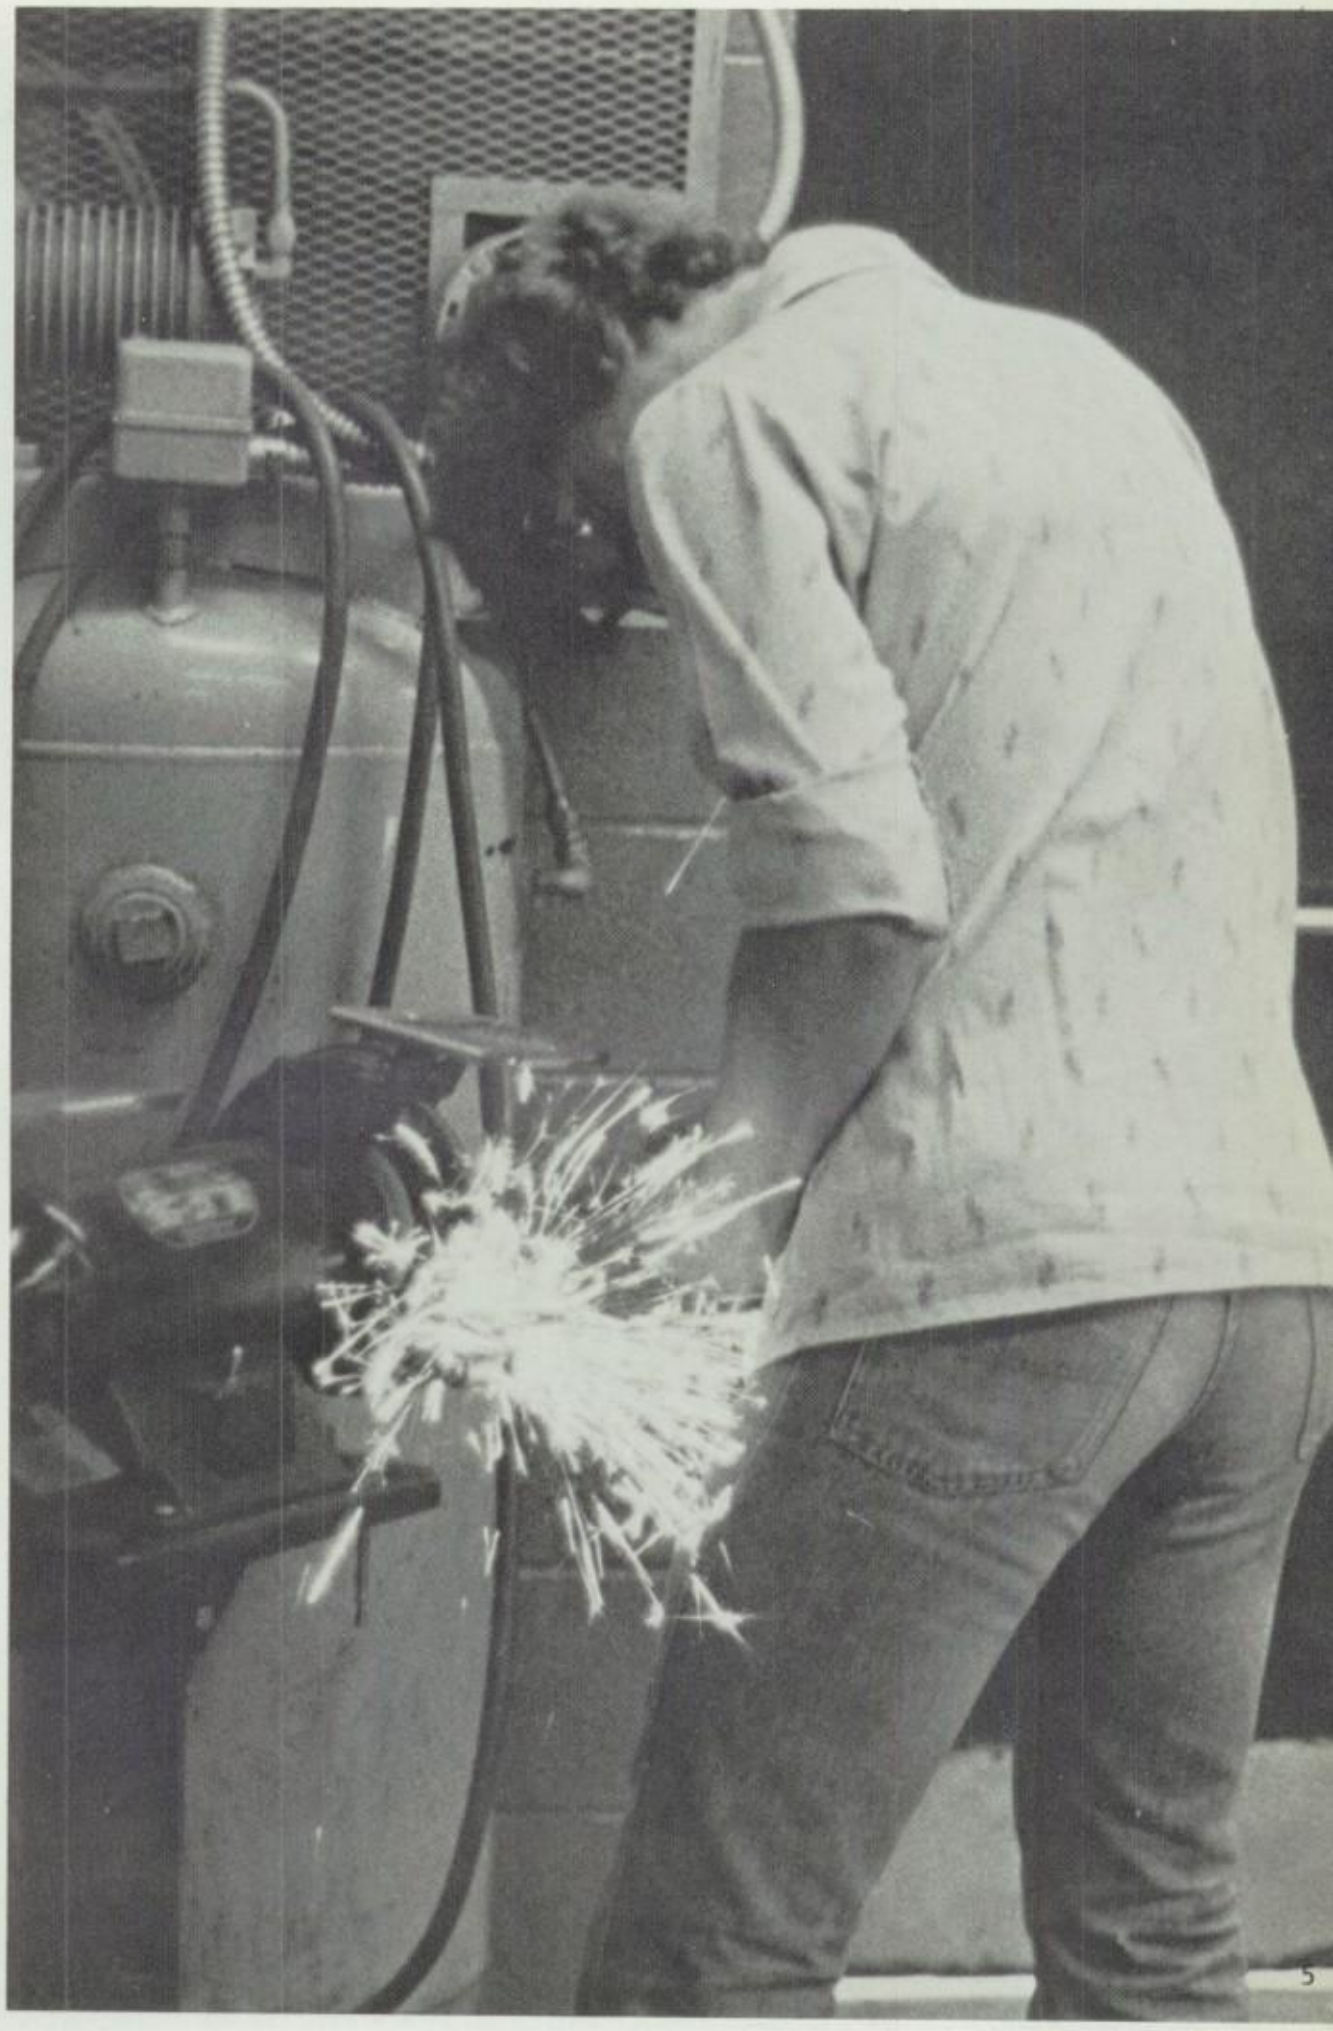
Several of the advanced Auto Mechanics students took their state test and became certified mechanics.

The vocational department received many new pieces of equipment including a new chain saw sharpener, a tire changing machine and other tools.

The addition of the equipment allows more services to be offered to employees of the school, students and the community.

This helps the students to "learn while doing". This job experience seems to make it easier for the students to make the adjustment from school to a job. The department charges a small fee to do autos and other mechanical repairs.

Other classes participated in some interesting activities. For example, the students in Mr. Dennis Mackey's Intro to Small Gas Engines designed and fabricated small rocket cars, and raced them down the hall of the vocational building.



Vocational Department Teachers. FIRST ROW: Carl Elliot, Donald Gee, John Jelenik, George Johnston. SECOND ROW: Dennis Mackey, William Perry, Paul Price. THIRD ROW: Al Rennert, Harlon Rose, David Turner. FOURTH ROW: James West, Donald Whitman, Daniel Winslow.

1. Eric Huntley and Todd Brian discuss their drafting assignment. 2. Mr. Jim West explains a problem to Jim Blundell. 3. Mike Girardin practices his welding before attempting his class project. 4. Chuck Barret works on his project, a table. 5. Sparks fly in metal fab.

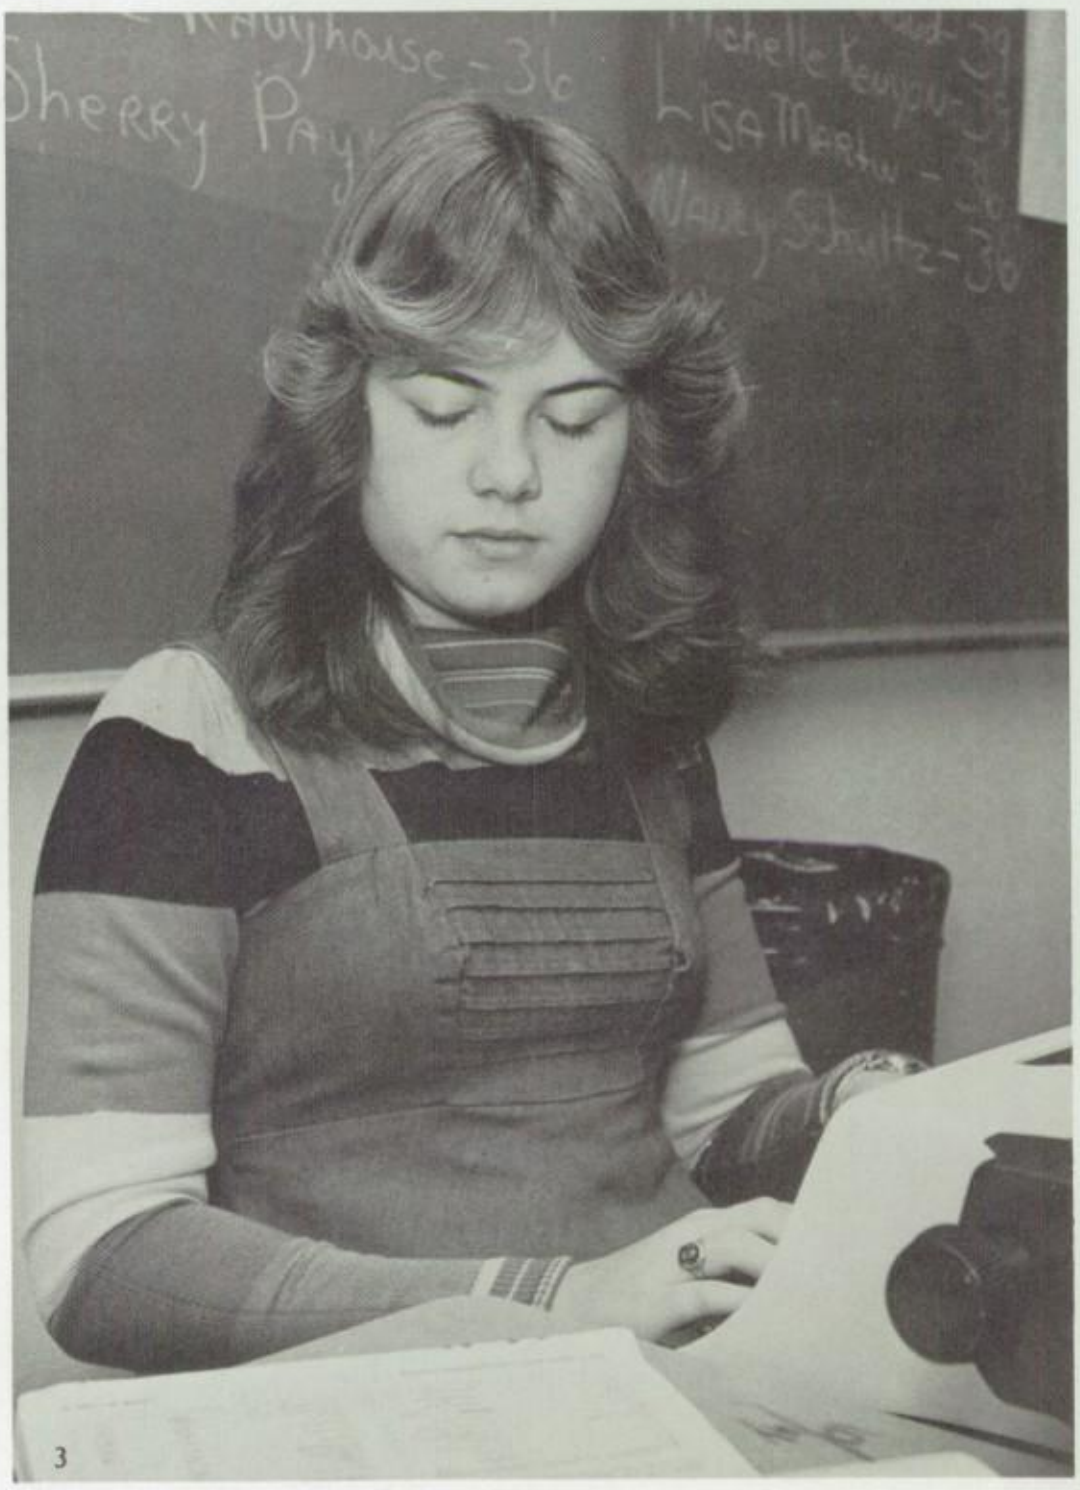
Training Offered For Numerous Skills

The Business Department at DHS offered Training for a wide variety of skills. Students had the opportunity to learn typing, how to present a case in court, and everything in between.

Students in business classes had a chance to perform business transactions, and learn business procedures and communications.

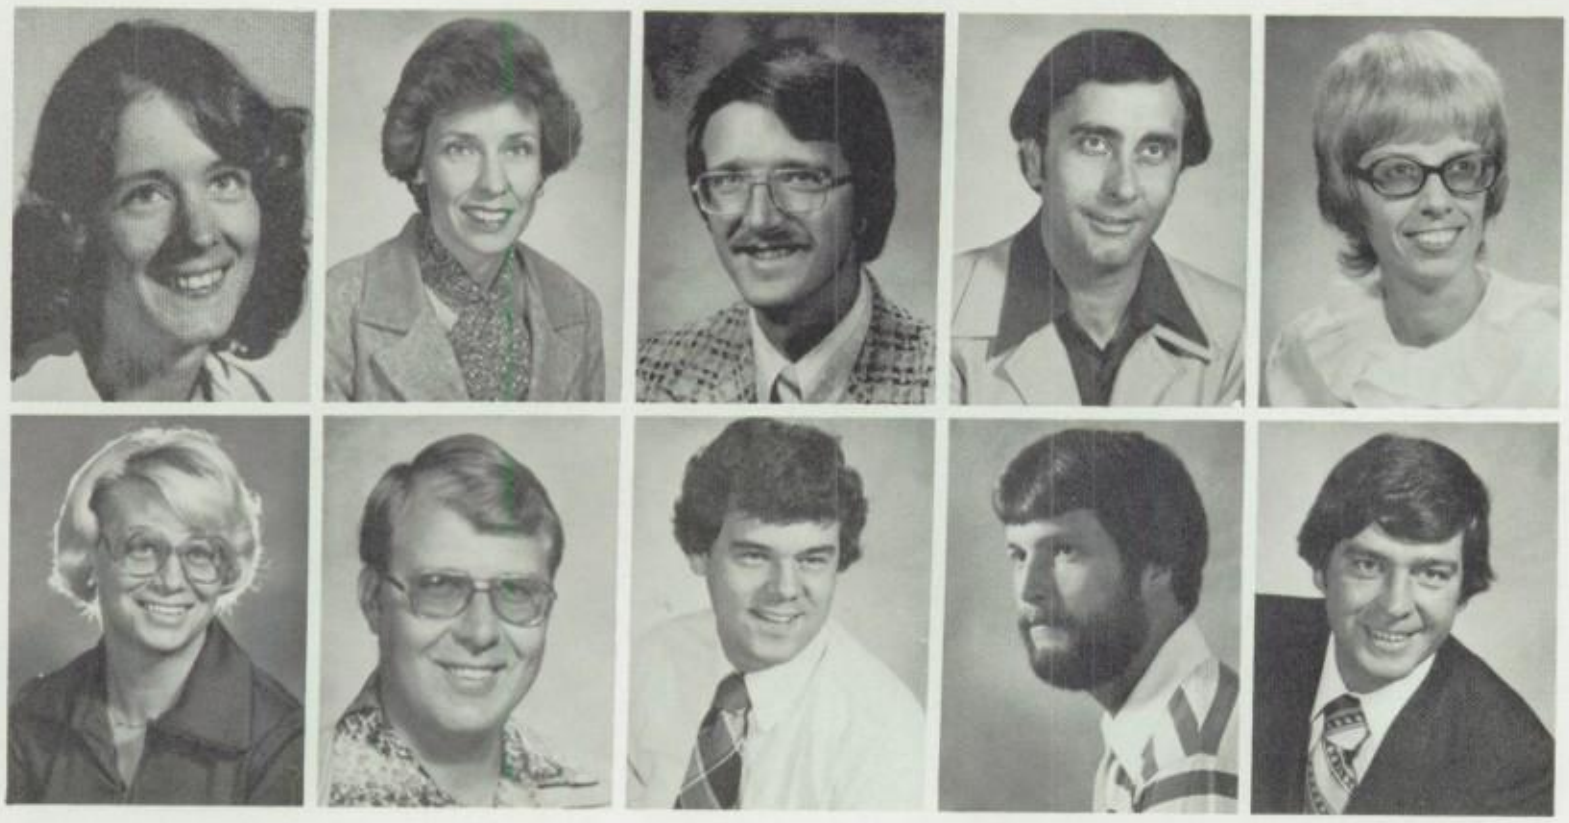
Law II students also had the chance to participate in Law Day, and the Business and Office Education Club (BOEC) competed in Regional and State contests.

Economics students had the opportunity to go to a Merrill Lynch office to observe and participate in stock transactions. In addition to the Law Day activities, Law II classes put on mocktrials, and invited a lawyer in who spoke on his experiences as an attorney.



1. Diane Lesniak prepares to begin typing an assignment that helps her gain practical skills in the secretarial field in Steno Block II. 2. Dave Hunt and Mike Galloway work on their assignment in Typing II. 3. Kathy Andrus works diligently, trying to sharpen her typing skills.

4. Sheila McCormick works on an accounting assignment with the help of her trusty adding machine. 5. Randy Tower and Dan Root take time out from their duties for a bit of "friendly" competition. 6. Dan Root explains the importance of accuracy in typing to his Typing I class. BUSINESS TEACHERS: FIRST ROW: Pamela Colon, Janice Curtis, Paul Heusted, Jack Iles and Charlotte McKenzie. SECOND ROW: Theresa Mitroka, Daniel Root, David Smith, Randy Tower and David Young.



Students Challenged In Math Department

In this year's Michigan Mathematics Prize Competition, sophomore Tim Rupp placed highest in the school. Of the 1081 students enrolled in the competition throughout the state, Tim finished in the top 4.6 percent which qualified him to compete in the finals.

Elsewhere in the Math Department, Sandy Bizovi's Analytical Geometry/Calculus class took a trip to Mott Community College Computer Center.

New teacher to the department was Scott Toyzan, transfering from the Junior High.

1. Dan Tomczak takes time out from his Geometry lecture. 2. Jim Shepherd types up tomorrow's test while his students work on their assignment. 3. Dennis Soulier helps Michelle West with her homework.

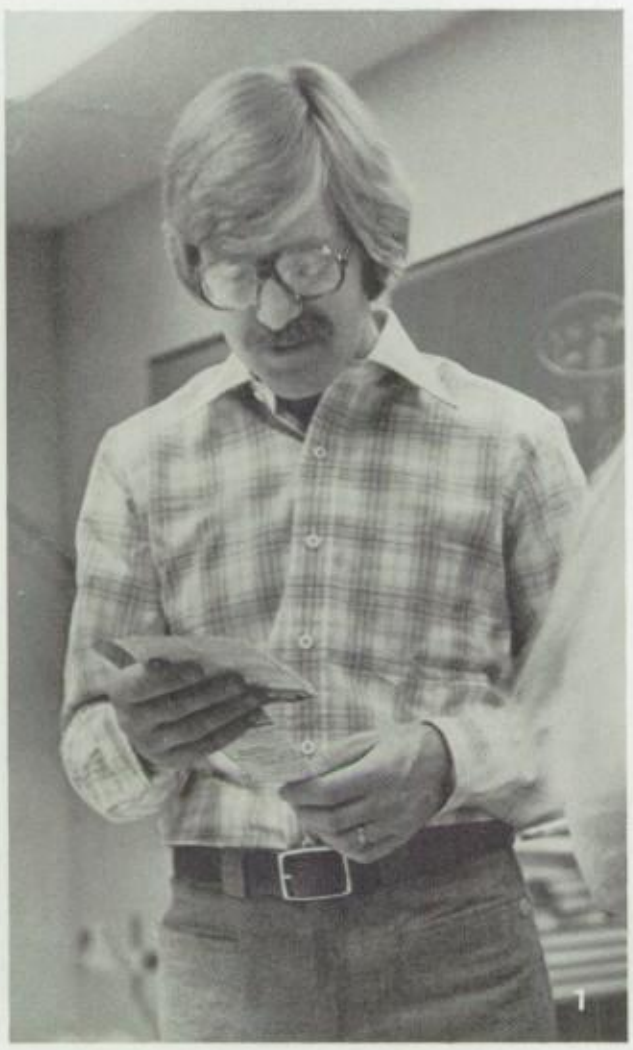
1. Nancy Desjarlais lectures her Algebra class on the importance of writing down every step in their problems. 2. Ed Wright looks up as he makes out the next day's lesson plans. 3. Wayne Desjarlais explains the complexities of math to Marie Ignash.

Wide Fields Of Knowledge Explored Here

The social studies department encompassed many areas of interest. Mr. Vizina's Family Decision Making classes went through some of the problems young people face from the time they get out of high school to marriage and having children. Mr. Crandell's class carried eggs around to learn responsibility. Mr. Shears encouraged classroom competition by having his classes compete with one another for the best scores. Many of the Government classes had the opportunity to go to court and visit the Flint city jail.



. Mr. Trepus reads a perti-ent newspaper article brought in by one of his gov-rnment students.

SOCIAL STUDIES TEACHERS: FIRST ROW: Gary Cockman, Ronald Crandell. SECOND ROW: James Erwin, Ed-ward Shears, Martin Tre-pus. THIRD ROW: Dennis Vizina, David Wood and Terry Yoder.

2. Sue Stevens, Ann Martin and Brenda Van Dyke brighten up Mr. Yoder's classroom with a dab of paint.

3. Mr. Shears corrects tests, happily anticipating finding a class average of 90% or above. He had weekly com-petitions between his classes this year to see which one would have the highest aver-age.

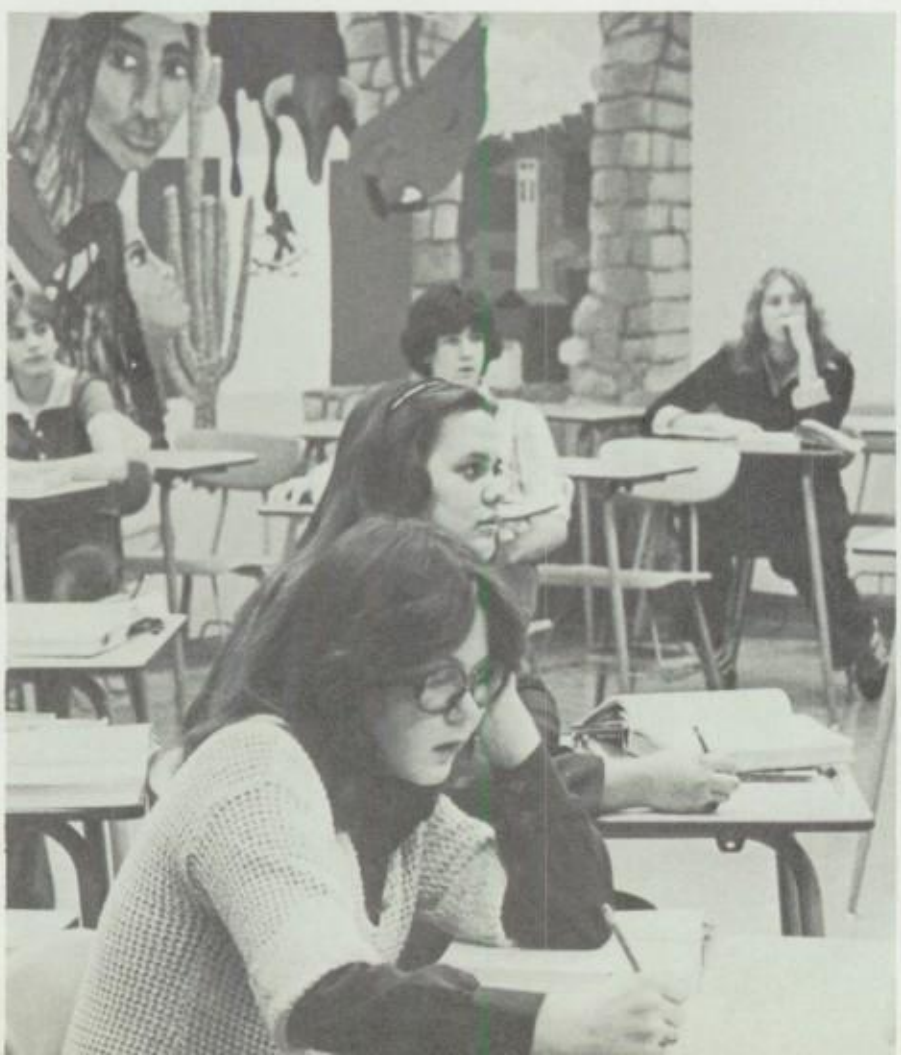
Language Plus More

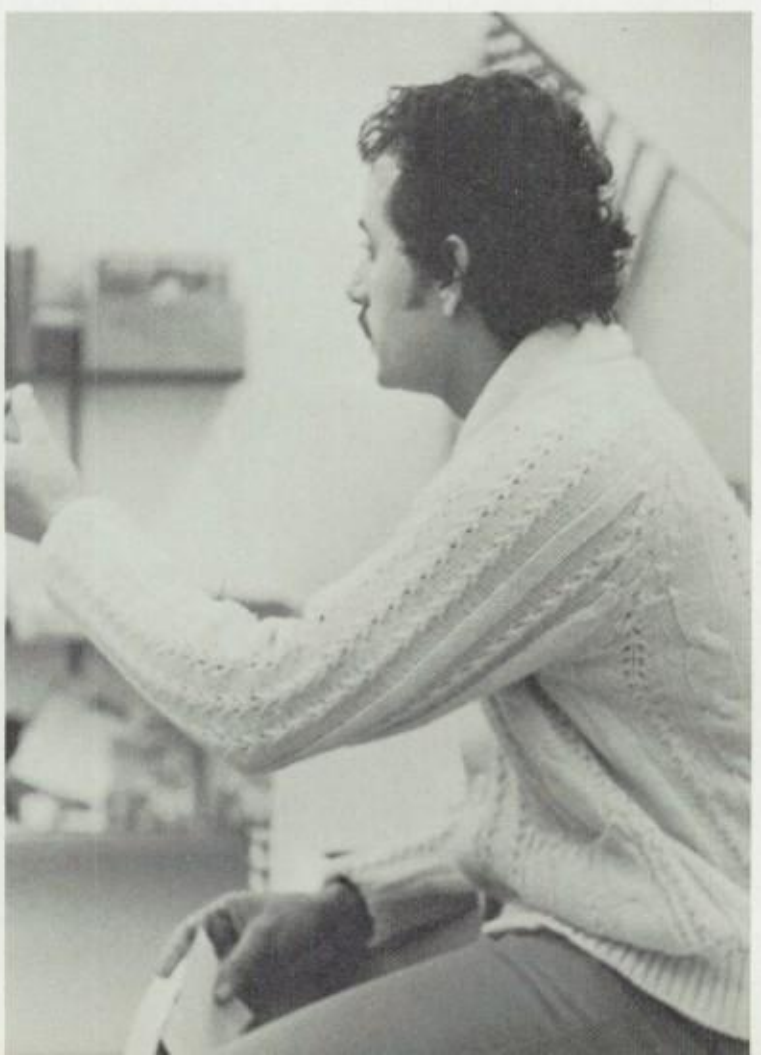
Foreign language classes practiced the use of their language through demonstrations, projects, and hard work.

Cooking in Spanish class was as much a part of the class as learning the language. The various classes made Mexican chocolate, Huevos Rancheros, Tacos, Bunuelos, and Tortillas.

The German classes welcomed a new teacher, Ms. Carolyn Siebert, who replaced Mrs. Weiss. The German II and III classes performed plays for each other throughout the year.

4. John Tempia contemplates the subject for his next French II lecture. 5. Ray Merino figures semester grades with the help of his trusty calculator. 6. Students listen intently to a Spanish I lecture, wondering "will I ever be able to talk like that?" 7. Ray Merino lectures his Spanish class on the importance of using a good accent while speaking a foreign language. FOREIGN LANGUAGE TEACHERS: FIRST ROW: Esther Bullock, Ramiro Merino. SECOND ROW: John Tempia and Carolyn Siebert.





Kem —
This page is ugly. Hope you enjoyed art this year. It was a pleasure having you in class 5th hr. Have a fantastic summer.
Mrs. Horsch

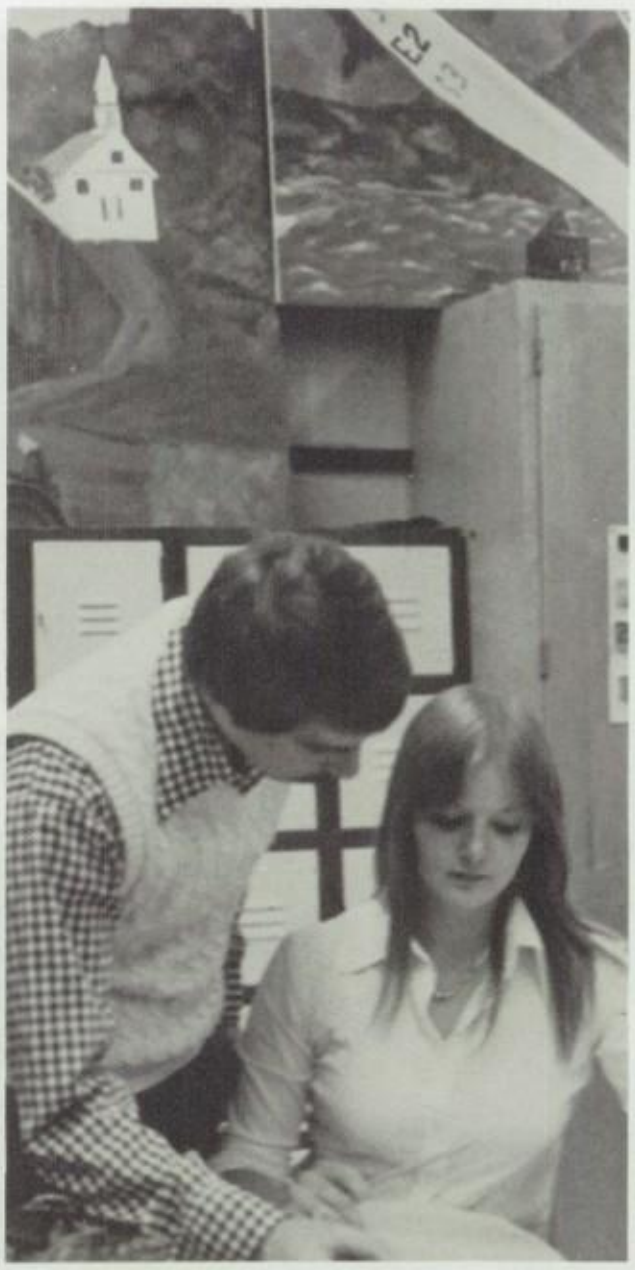
Art At Its Best At DHS

Aside from the normal class projects, many of the art classes produced serious art pieces.

In Advanced Textile & Design, students put skills learned in earlier classes to use, and produced large hooked rugs, and large macrame projects of their own choosing.

Students also designed and produced costumes for the Marching Band feature, "Star Wars."

The Commerical Art class also participated in many projects, including sponsoring a art show, and designing, printing, and marketing Christmas cards.



1. Mr Matherne and Pam Fischer discuss plans for Pam's Drawing II project. 2. Dave Langley and Ed O'Brien begin the first step for their Pottery Class project, working the clay. 3. Tammy Nance gets all tied up with her macrame project for Advanced Textiles & Design. ART TEACHERS: FIRST ROW: Mary Ann Corning and Kelly Horsch. SECOND ROW: James Matherne.

Careers For Life

Career Education was a primary goal of the Home Economics Department. Six students from the Child Care and Development classes were placed in area child care centers through the co-op program. Students from the classes also visited area child care centers.

The Tailoring classes put on a fashion show, as well as producing their own coats and blazers.

The Food Service classes also went on field trips, one to an area restaurant, another to the Clark Store Fixture Equipment Company.

These students also served teachers' lunch in the "Red Apple Dining Room," as a means of practicing the skills that some day could get them a job.

Mrs. Beverly Dobos replaced Mrs. Edith Boyer as Food Service Director.

4. Pam Hudson supervises two little tykes during play time in Child Care class. 5. Jody Mogg looks on as Mark Fosdick attempts to create a culinary masterpiece. 6. Nancy Parks works on her blazer during Tailoring class. HOME ECONOMICS TEACHERS: FIRST ROW: Beverly Dobos, Kathryn Griffith. SECOND ROW: Patricia McGlashen and Joanne Wood.

Busy Music Students

Bob Longfield started the year off as the lone band director due to the millage defeat. After the first nine weeks, Linda Beedle joined him as assistant band director, replacing Allen VanBrocklin, who transferred to the Junior High.

Band students became very involved in various activities pertaining to band, including Pep Band, Marching Band, Solo & Emsemble and Festivals. These students and the two directors spent a great deal of their free time preparing for these activities. 63 groups attended the Solo & Emsemble Festival in Flint. Out of this number, 28 groups received I's, and 23 received II's.

Band students weren't the only ones who devoted a great deal of time and effort to after school activities. Choir students participated in many, including Solo & Ensemble, Vocal Festivals, as well as producing an annual musical. This year's musical was "The Sound of Music."

1. Mrs. Linda Beedle conducts the freshman band. 2. Brenda Slusser and Kathy Roby are intent on their music in concert band. 3. Sally Bird puts some emotion into her conducting. 5. Mike Griffin and Steve Erb add a little bass to the music produced by the concert band. 5. Students in Varsity Choir practice a selection in preparation for their Vocal Festival. Music Teachers: Left: Robert Longfield. Right: Sally Bird.

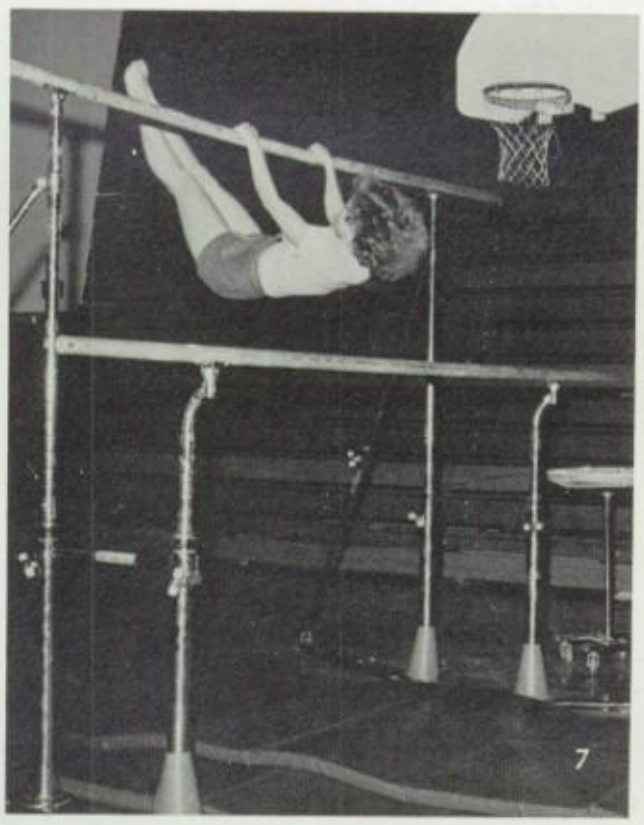
New Equipment Helps

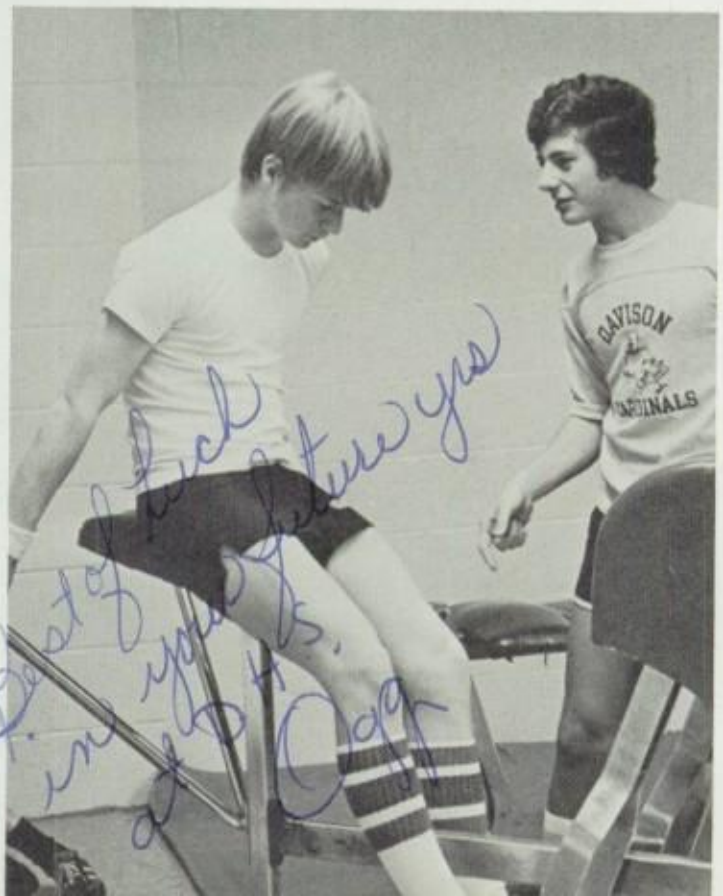
The Physical Education Department received some new equipment. New uneven parellel bars, tennis racquets and balls, plus the normal influx of new basketballs, volleyballs, and the other things that have to be replaced every year were welcomed.

Students had a wide variety of classes from which to choose from. Tennis, golf, football, soccer, volleyball and field hockey were just a few of the subjects from which students could choose.

Something new in the department was in the Gymnastics & Modern Dance class — a five day unit on jazz dancing, in which dance students took control of the class and gained a bit of teaching experience while helping each other learn.



6. A freshman flies high. 7. Another Olga Korbut? 8. TAMMY RINESS shows good form as she tries out the new uneven parallel bars. 9. Donald Jones works out on the leg press. PHYSICAL EDUCATION TEACHERS: FIRST ROW: William Chinery, Beverly Dodge and Dan Heckman. SECOND ROW: Julia MacLachlan, Mary Ogg and Tom Weadock.



They Make The School Go 'Round

The bus drivers, janitors, and cooks, the most underrated people in the school, were in fact the corner stones of the system. The duties of these people were the things that the students and faculty took for granted daily.

For most students the school day started at 7:45; for the janitors, bus drivers, and cooks the school day started much earlier. There were doors to be unlocked, lights to be turned on, rooms to be heated by the janitors. The cooks had to start early to get food ready for lunch and early morning snackers. As for the bus drivers, they had to get all the eager young minds to school for the 7:45 deadline.

1. Jean Fargo prepares cookies for lunch. 2. Bus drivers, 1ST ROW: George Kamidoi, Ed Giles, Joanne Heit, Selena Rendelman, Virginia Spinney, Dorothy Davis. 2ND ROW: Lauretta Cockerill, Sophie Martorelli, Celia Stephens, June Lawrence, Connie Church, Ruth Scott, Barbara Gaboury, Betty Fromwiller, Peggy Wilson. 3RD ROW: Betty Smithson, Sandy Davis, Luanne Zdenek, Frances Revis, Evonne Guillen, Diane Shears, Kay Smith, Charlene Hall. 4TH ROW: Ruth Kinder, Lillian Pagan (Supervisor), Pat Smith, Brenda Berry, Ruth Coleman. 3. Cooks, 1ST ROW: Dorren Ailing, Marcia Tobias, Hazel Hawkins, Phyllis Lyons. 2ND ROW: Marie Ann Bedore, Mildred Simons, Terry Stills. 4. Janitors, 1ST ROW: David Lantern, Fred Hinz, Don Odom, Bill Wetherwax, Darwin Shaffer. 2ND ROW: David Moody, Lonnie Saumier, Ron Odom, Raymond Bryant. 3RD ROW: Brian Adams, Todd Birdsley, Craig Reynolds, David Reynolds. 5. Bill Wetherwax inspects machinery in the vocational building.

The Stars Shine Bright In Showtime Seventy- Seven

The marching band performed in front of a capacity crowd for its Homecoming show. The theme was "The Great Movies of 1977" and the highlight was the band's rendition of the theme from "Star Wars". Other marching band shows were "The Wide World of Sports" with guest appearances from the gymnastics team and pom pon squad, and "A Star is Born", featuring the seniors.

The band also performed in their annual exhibition along with the freshman and eighth grade bands and presented a season's end concert.

1. The 1977 Davison High school marching band. 2. John Alger and Kathy Corning, as Princess Leia surrounded by "Star Wars" characters. 3. Margie Baldridge bangs out the beat for the band. 4. Kathy Roby shows good form as she twirls the rifle.

Homecoming Holiday

Homecoming theme was "Everyday's A Holiday". The class of 1979 took first place in the Homecoming float competition for the third consecutive year. The class of 1978 won hall decoration again to make it their third consecutive year. Diane Lesniak and Ann Granger were crowned Queen and Miss Congeniality at halftime just before the Cards were shutout 23-0 by the Grand Blanc Bobcats. The crowning of Chris Guertin as King with David Schaeffer as Mr. Congeniality at the Homecoming dance ended the evening.

1. Seniors' winning hallway tells the team how to play. 2. Team captains show good sportsmanship. 3. The winning junior float. 4. "Who is that masked man?" was all that was heard. 5. Queen, Diane Lesniak. 6. Queens Court: Sally Hickmott, Ann Granger, Diane Lesniak, RayeAnn Hill, Jane Beauregard. 7. David Schaeffer, Mr. Congeniality and Chris Guertin, King. 8. Ann Granger, Miss Congeniality.

Better Late Than Never

Because of the millage failure in August, jazz band did not begin until the second quarter. Even then many members couldn't join until the second semester. Nevertheless, the band had many performances. They participated in the jazz clinic at the U. of M. Flint which featured Joe Morello. The high point of the year came in April, when the band brought in the internationally famous Duke Ellington Orchestra.

1. Cheryl Dunahoo rehearses with the band. 2. The lead trombonist Brian Walton. 3. Frosh Band Plays Host

The freshman band once again competed in the M.S.B.O.A. district band festival. This time they had the chance to compete on home grounds. Davison hosted the district band festival for the junior high level on February 25. They had hoped to receive straight I's for the fourth consecutive year. Their new band director was Miss Linda Beedle. She replaced Mr. VanBrocklin, who went to the junior high.

1. The Freshman Band: FIRST ROW: Jenane Smithson, Mary Fortier, Jenny Hitchcock, Chris Fillmore, Sue Johnson, Sue Matter. "Suitest" Music This Side Of DHS

Because of the millage defeat, the orchestra had a new director in Mr. Robert Longfield. The orchestra, with 19 members, performed at many concerts including the Christmas concert and spring concert. One of the more popular pieces played was "Themes from a Nutcracker Suite". They went to the festival in class AA hoping to improve on last year's performance, where they received a II rating. Also, most of the members went to the District Solo & Ensemble Festival in February in hopes of moving to state competition in March.

Organizations Restructured

Student Senate started the 1977-78 school year out with an open council and found a great lack of organization. At about mid-year Mr. Weaver (sponsor of student senate) made it a closed council, allowing only class and senate officers to attend meetings. Student Senate organized and sponsored both Homecoming and Coming-home weeks.

The National Honor Society is another organization that underwent a structural change. There were no new members added to the society at press time. There was some confusion due to the rules for acceptance set up by the NHS the year before. NHS did manage to form an advisory board of students, teachers and administrators to review the case. They also sponsored a team of five people to appear on the "Quiz Bowl" at Michigan State and collected money for the March of Dimes.

Friday Deadlines Met By Staffers

An issue every week was the goal of the INNOVATOR staff. Once or twice they didn't make it; production difficulties hampered them. But despite hungry typewriters that ate stencils, stylii that hid under light tables, staff members that overslept, and hectic Thursday nights, the INNOVATOR appeared in homerooms regularly on Fridays.

The Goal Of WDHS — Our Listening Enjoyment

New format, new equipment, and new faces were found at WDHS along with experienced disc jockeys from previous years. The equipment setup itself was rearranged for more efficient use by the DJ's and new turn tables were added. Ralph Coaster, the teacher-advisor of the radio station, made sure things ran smoothly along with General Manager Tom Gerding, who also handled the station's technical difficulties.

WDHS' most obvious change was the new format. It was designed in such a way that the morning was mainly oldies and easy listening. As the day went on the format became more progressive, with a lot more rock-n-roll played fifth and sixth hours.

1. Tom Gerding brings the sound of music to DHS. 2. Mary Ogg and Ralph Coaster (sponsor), dance to the music brought by WDHS during the homecoming costume ball. 3. Rodger Pfeiffer, Music Director; Rita Rickard, Public Service Director; Tom Gerding, General Manager; Ken Roy, Advertising Director. 4. DJ's: Steve Shaffer, Rick Bauer, Phil Klingler, Craig Johnson. 5. Listening pleasure brought by WDHS and Steve Shaffer.

B.O.E.C. Places

B.O.E.C., Davison's business and office education club involved girls and guys in competitions using their business talents. The members raised money by sponsoring their annual flower Friendship Day, once in the fall and then again in the spring. The money they raised went toward helping the students pay their competition fees. This year's regional competition was held at Baker Junior College in Flint where for the first time in three years Davison's B.O.E.C. received a third place rather than winning the overall trophy. Students who placed at the regionals then moved on to Southfield for state competition.

Among their other activities B.O.E.C. managed to have a Christmas open-house for all of the students and faculty involved in the business department. They also invited parents, friends, and employers.

1. The B.O.E.C. Club: FRONT ROW: Marsha Shoenfelt, Karen McMahan, Kathy Henessey, Sally Layman, Jackie Russ, Debbie Simoni, Diane Lesniak. SECOND ROW: Jan Curtis (Sponsor), Teresa Moore, Cherie Goyette, Denise LaVere, Anne Granger, Connie Snyder, Myrna Clark. Regional Competition Winners: FRONT ROW: Anita Britzman, fourth place Typing I; Vickie Wilson, sixth place Proofreading and Spelling; Marsha Shoenfelt, seventh place Business Spelling team; Sally Layman Spelling team. SECOND ROW: Sue Ex, sixth place Typing II, second place Steno I; Teresa Baldwin, second place Steno II, second place General Clerical II; David Schaeffer, first place Accounting II, first place Business Arithmetic; Johanna Gates, sixth place General Clerical II; Denise LaVere, first place Receptionist; third place Information Communications II, third place Steno II; Debbie Niefert, third place Record Management; Kelly Rodgers, third place Proofreading and Spelling. BACK ROW: Tony Urban, seventh place Business Arithmetic; Tim Chandler; third place Accounting II, eighth place Business Arithmetic; Jan Curtis.

With the new homeroom policy, homeroom representatives were a natural by product. It was hoped that homeroom reps would be a channel of communication through which the general student body could share thoughts and ideas for a variety of activities, according to sponsor Mr. Dick MacLachlan. This was aimed at generating spirit and enthusiasm within the school.

4. Homeroom reps have a meeting. 5 ... and then came the "Bird!" 6. Homeroom reps: FRONT ROW: Dave DeMott, Mike Chizek, Ginny Wolter Mark Brown, Nathan Whitehead, Keri Lenzi, Angie Rodriguez, Jill Johnston, Sally Luxon. Learning Through Self Expression

Choir offered learning for the anxious, opportunity for the ambitious and expression for the sensitive.

Opportunity for involvement outside of regular class period were many. Comical choreography was sometimes put together by students to accompany pieces of music. Small groups such as Swing Choir were selected to prepare entertainment for community activities; Madrigals and soloists readied themselves for solo ensemble; and — the musical!

Service And Fun Go Together

The choirs served the community and the students through groups such as these.

The Swing Choir performed at Hill and Siple Elementary schools in January along with the art department and their many machéd heads. The groups first program was at Centrals' P.T.A. meeting in December. Examples of some of their music was "Sweet Gingerbread Man", "Maggie Blues", and "That Old House is Hainted".

The Varsity Vagabonds and Davison Singers attended solo ensemble in February at Flint's Nothern High. That was a traditional event for which many of the choir students prepared each year. Soloists, small ensembles, and large ensembles were judged on their quality and performance.

Folksingers were another group of entertainers. Taking part on concert nights, their music was usally light and "folksy".

These students took advantage of the special aspects of music which made being part of the Davison choirs a fun experience.

A Variety Of Experiences

Choir groups had many diversities — The Choralaires which were all girls; the Cardinal Choir for mixed voices of S.A.T.B.; and smaller groups such as the Goldtones or Chordells. Each class offered its own kind of learning experience.

1. Chordells; FRONT: P. Slezak, B. Piper, A. Brantley; MIDDLE: K. Dipsinski, T. Hudson; BACK: B. Belford, A. Couvillon, S. Pack. 2. Altos practice in Cardinal Choir. 3. Cardinal Choir; FRONT ROW: S. Three girls from the DHS Varsity Choir were selected for All-State Choir, which is a very special group of musically talented young people.

Auditions were early in the year and those chosen, Michelle Simonye, Mary Wakeman, and Pat Wagner, attended two other overnight rehearsels during the school year. This was another way in which choir offered ever-widened opportunity.

Skills Are Built

The group of young men who were in the Building Trades classes were a talented group, taking a great deal of pride in their work, according to their instructor Mr. Carl Elliott. They built a three bedroom ranch on Davison Road, which consisted of a living room, kitchen-dining area, and a family room with a fireplace which they designed themselves. The ranch also had an attached two car garage.

The class is designed to give the students a first hand experience in all phases of construction. Many of the students learned valuable skills that will be very profitable in their future in the construction industry.

Active Group Going Places

Biology club had a very busy year planned for 1978. They started with a visit to the U. of M. Flint science open house. This visit was followed by many others such as a trip to a veterinarian hospital to watch an operation being performed. They also planned to watch a taxidermist at work, a trip to Belle Isle Nature Center, a visit to the Humane Society and a chance to go talk with veterinarians from the Detroit Zoo. Last on their list of plans was a trip to talk with the veterinarians at M.S.U.

Experience Leads To . . . Appreciation Of Nature

Camping, canoeing, hiking, and cross country skiing were trips enjoyed by the Wilderness Club. The group raised money by selling bagels so that members could have trips paid for and also to buy equipment for the clubs use.

They camped at a cabin in Grand Rapids in that cold month of February and went cross country skiing during the day.

At the time of printing, the club had plans for a spring canoe trip down the Pére Marquette and a week long backpacking excursion to the Porcupine Mts. in early summer.

Learning through experience the students developed interest and desire for the "great out-of-doors".

5. The Wilderness Club: FRONT ROW: Kathy Hennessy, Tracy Clugston, Nancy Carter, Vicki Lysher, Kathy Quinn, Jean Houghtaling. Weekly Skiing And Weekend Trips

Ski club is one of the largest clubs in Davison High School. It was sponsored this year by Bill Eller. The ski club skied at Mt. Holly every Thursday night after school. They were accompanied by other members of the faculty as chaperones. The ski club also went on a ski trip to Boyne Mt. where they spent the week-end. They left on a Friday at 4:00 p.m. and returned the following Sunday night.

Special Week Highlights Fine Basketball Year

Coming Home week was a first for Davison High School. Special activities were organized and carried out by the student senate with the help of members of the student body. The week's activities started with a crazy hat, sock, and stuffed animal day and ended with maroon and gold day. They also entertained the student body and faculty with a pep assembly the Friday of that week. Also among the activities was the crowning of a prince and princess from the freshman, sophomore and junior classes. Each class elected its own court. The freshman court consisted of Cathy Mosciski, Laura Suarez, Carrie Saxton, Lori Lorenc, and Shannon Benedick as princess. The prince and court were Ken Gerding, Larry Gritzinger, Steve Wilcox, Steve Rivera, and Jim Elliott. The sophomores chose Karen Reid as their princess with Liz Swenor, Jackie Wakeman, and Kim Pierson on court. Sophomore prince was Jon Webb with Bill Crabtree, Jeff Vickerman, and Mark Wood on court. The junior princess and court were Lisa Smithson, Julie Chittle, Tami Nance, Lesa Veit, and Carol Buysse. Their prince and court were Don Granger, Scott Miller, Ken Coblenz, Allen Glenn, and Gerry Potter.

3. Stan Seybold competes in a game at the assembly. 4. Freshman princess Shannon Benedick receives her crown and roses. 5. Junior princess Lisa Smithson. 6. Junior court congratulates Lisa Smithson.

Language Clubs Have A Slow Beginning

Due to the millage mishap, the language clubs didn't form until late. They did not have time for as many activities as in past years. But the Spanish Club went to the restaurant Taco Villa in Saginaw and went to a Detroit Tigers baseball game. The French Club had Christmas, Mardi Gras, and roller skating parties. They were also planning a trip to Quebec. The German Club was sponsored by Miss Carolyn Siebert, who was new to DHS.

Self Expression Through Theatre

The three drama organizations, the Thespians, lighting technicians, and the Drama Club combined their skills to help on all school plays. Their performances included "Alice in Wonderland" and "The Sound of Music" which was performed as a musical with the Varsity Choir. The Thespians are a national honorary organization. The organization is for theater people with over one hundred hours in at least three different areas, such as acting, directing, and technical work.

WDHS Presents The "Bong Show"

The second annual "Bong Show," sponsored by WDHS, was held at the Davison Country Club on November 18 and 19. Ken Roy and Rita Rickard were the master and mistress of ceremonies. Friday night an eighth grader, Andrea Puro, won first place entitling her to a U.S. Savings Bond for $19.77. The judges were WTRX's Mike Thorp and Tom Rusch and WJRT-TV's Roseanne Cerra. Saturday night the German Club came back for a second time and swept the club competition winning $50.00. Their band Pearl Mutter took first place. The judges for Saturday night were Mike Thorp and WFDF's Bill Lozan and WWCK's Steve Barrington.

The money earned from the "Bong Show" went towards a new control board.

Busy Office Workers Help Policy Succeed

Due to the new attendance policy, the office workers found themselves busier than ever. Not only did they answer phones, schedule appointments for counselors, and deliver messages but they also went to each room every hour and collected absence cards. Without the help of the office workers, it is doubtful that the new policy would have succeeded.

DHS Auditorium Is A "Wonderland"

The Davison High Theatre Arts Division prosented Lewis Carroll's "Alice in Wonderland" on February 16 and 17 in the D.H.S. Auditorium. Miss Deborah L. Toombs directed the production and was assisted by Ron Badour.

D.H.S. Thespians were behind the scenes once again, working the lights and allowing the production to run smoothly.

Because 30 students performed in the play, and there were 45 separate parts, many of the students had to double up on parts.

The play is unique in that the main character, Alice, never leaves the stage. Rita C. Rickard played Alice.

1. Rita Rickard as Alice, converses with the White Rabbit. 2. The King and Queen of Hearts, Craig Johnson and Sally Luxon, watch the cards. 3. Julie West as the March Hare, Debbie Harrison as Dor House, and Pam Carter as the Mad Hatter have a mad tea party. 4. Poor White Rabbit (Rose Cusenza) is late for a very important date. 5. The birds have a conference. Some who attended are the Lory (Annette Gear), the Duck (Cheryl Dunahoo), and the Dodo (Teresa Alt). 6. Marci Smith portrays the Duchess who is crazy. 7. Cheshire Cat (Keith Voeks) displays his famous grin. 8. the Two, Five, and Seven of spades, played by Liz Davis, Brent Barrett and Jane Nelson, have a quick game of cards.

The Hills Are Alive . . . .

On May 4, 5, 6 the Varsity Choir proudly presented Rogers and Hammerstein's "The Sound of Music" under the direction of Miss Sally H. Bird. This is the second time the musical has been done at D.H.S.; it was also presented in 1967. Rick Landis and Teresa Alt acted as student directors. A lot of hard work and practice made the musical successful once again.

You've Got To Have What It Takes To Win.

"With a lot of work we can capture the Big 9 title," said coach of the varsity softball team Dennis Soulier. This year saw three returning seniors two returning juniors and one sophomore. Out of the large number of girls that went out for the team, Coach Soulier picked 16. The J.V. softball team, under first year coach Mona O'Dell, had 18 girls on the team.

3. Ann Granger puts everything behind the ball. 4. Beth Wagner watches as the ball sails to its destination. 5. Coach Dennis Soulier doesn't look like he has to much to worry about. 6. Beth Rusch has got what it takes to be a good catcher.

Returning Lettermen Spark Varsity Hopes

The varsity baseball team had its entire infield back with Tim Fromwiller at first, David Schaeffer at second, Clay Albert at short and Bill Plowman at third. Also the other two returning lettermen Kyle Davis and Tim McDaniel competed for a position in the outfield. The real key to the success of the 1978 team fell on the shoulders of talented juniors, with pitchers Greg Bartlett, Jerry Hawkins and Bob Sanchez; and catchers Chris Bond and Don Granger.

The coaches, Keith Yenior (freshman), Tom Weadock (junior varsity), and Dan Root (varsity), felt that their line ups were packed with very talented young men and looked forward to a very successful season.

Young And Building

The 1978 track season was undoubtedly tough. Due to the millage defeat, several returning lettermen were gone.

But the outlook was one of hope. Senior Vince Blakley looked promising in the half mile as did Tony Urban in the high jump and hurdles.

Fine Seasons Expected By Experienced Teams

Both the girls golf and boys tennis teams were packed with experience as the 1978 season got underway.

Almost the entire boys tennis teams returned this year, 11 of them. They were basically a young team and their coach said they had a lot of hustle and desire. They expected to have a much better season than last, because of their more experienced players. They started a second team of players to give them experience before varsity next year.

Coach Ed Wright expected a good golf season with five returning letter winners. He hoped to be in the top third in the state.

Junior Dominated Varsity Finishes, 2-7

Despite a 2-7 season record, there were several bright spots and optimism for next season. In victories over Carman and Swartz Creek, the defense sparkled.

Bruce Powell and junior Don Granger showed the way with 138 and 110 tackles, respectively. Junior quarterback Jeff Hunt completed 39 of 80 passes for 49%.

Eight Cards received honorable mention All-Conference honors. They were: Mark Jones, Dave Johnson, Brad Glomson, Craig Kesten, Powell, Granger, Hunt, and Bob Chuchvara.

Wrestlers Prove Best 1st In Big 9 Contest.

According to Varsity Coach Don Whitman, "The success of this year's Varsity Wrestling team could be contributed to many things, but that which stands out most is the tremendous attitudes of the young men involved. Our co-captains Tim McComb and Dave Johnson were outstanding in their leadership roles on and off the mat".

McComb and Johnson were also among the four wrestlers that qualified for the state finals. The other two were junior Dennis Crowder and Sophomore Dave Crim. The majority of the team consisted of underclassmen. Never before has Davison had an undefeated dual meet season or a Big 9 Conference Championship in wrestling. Also coach Don Whitman was one of two coaches selected from this region for Michigan Class A Coach of the Year Nominee.

Skaters Top League

Coached by George Knutson, the hockey squad was in the midst of a superb season. The team played in the Greater Flint Hockey Association's 17-19 year old league, because a millage defeat forced them out of the high school league. The skaters had compiled a 13-3-1 slate, and were being allowed to compete in the high school tourneys. Captains Clay Albert, Troy Adams, and John Metar along with netminder Todd Davies and center Norm Whalen had led the squad to an 11-0-1 record in the GFHA circuit.

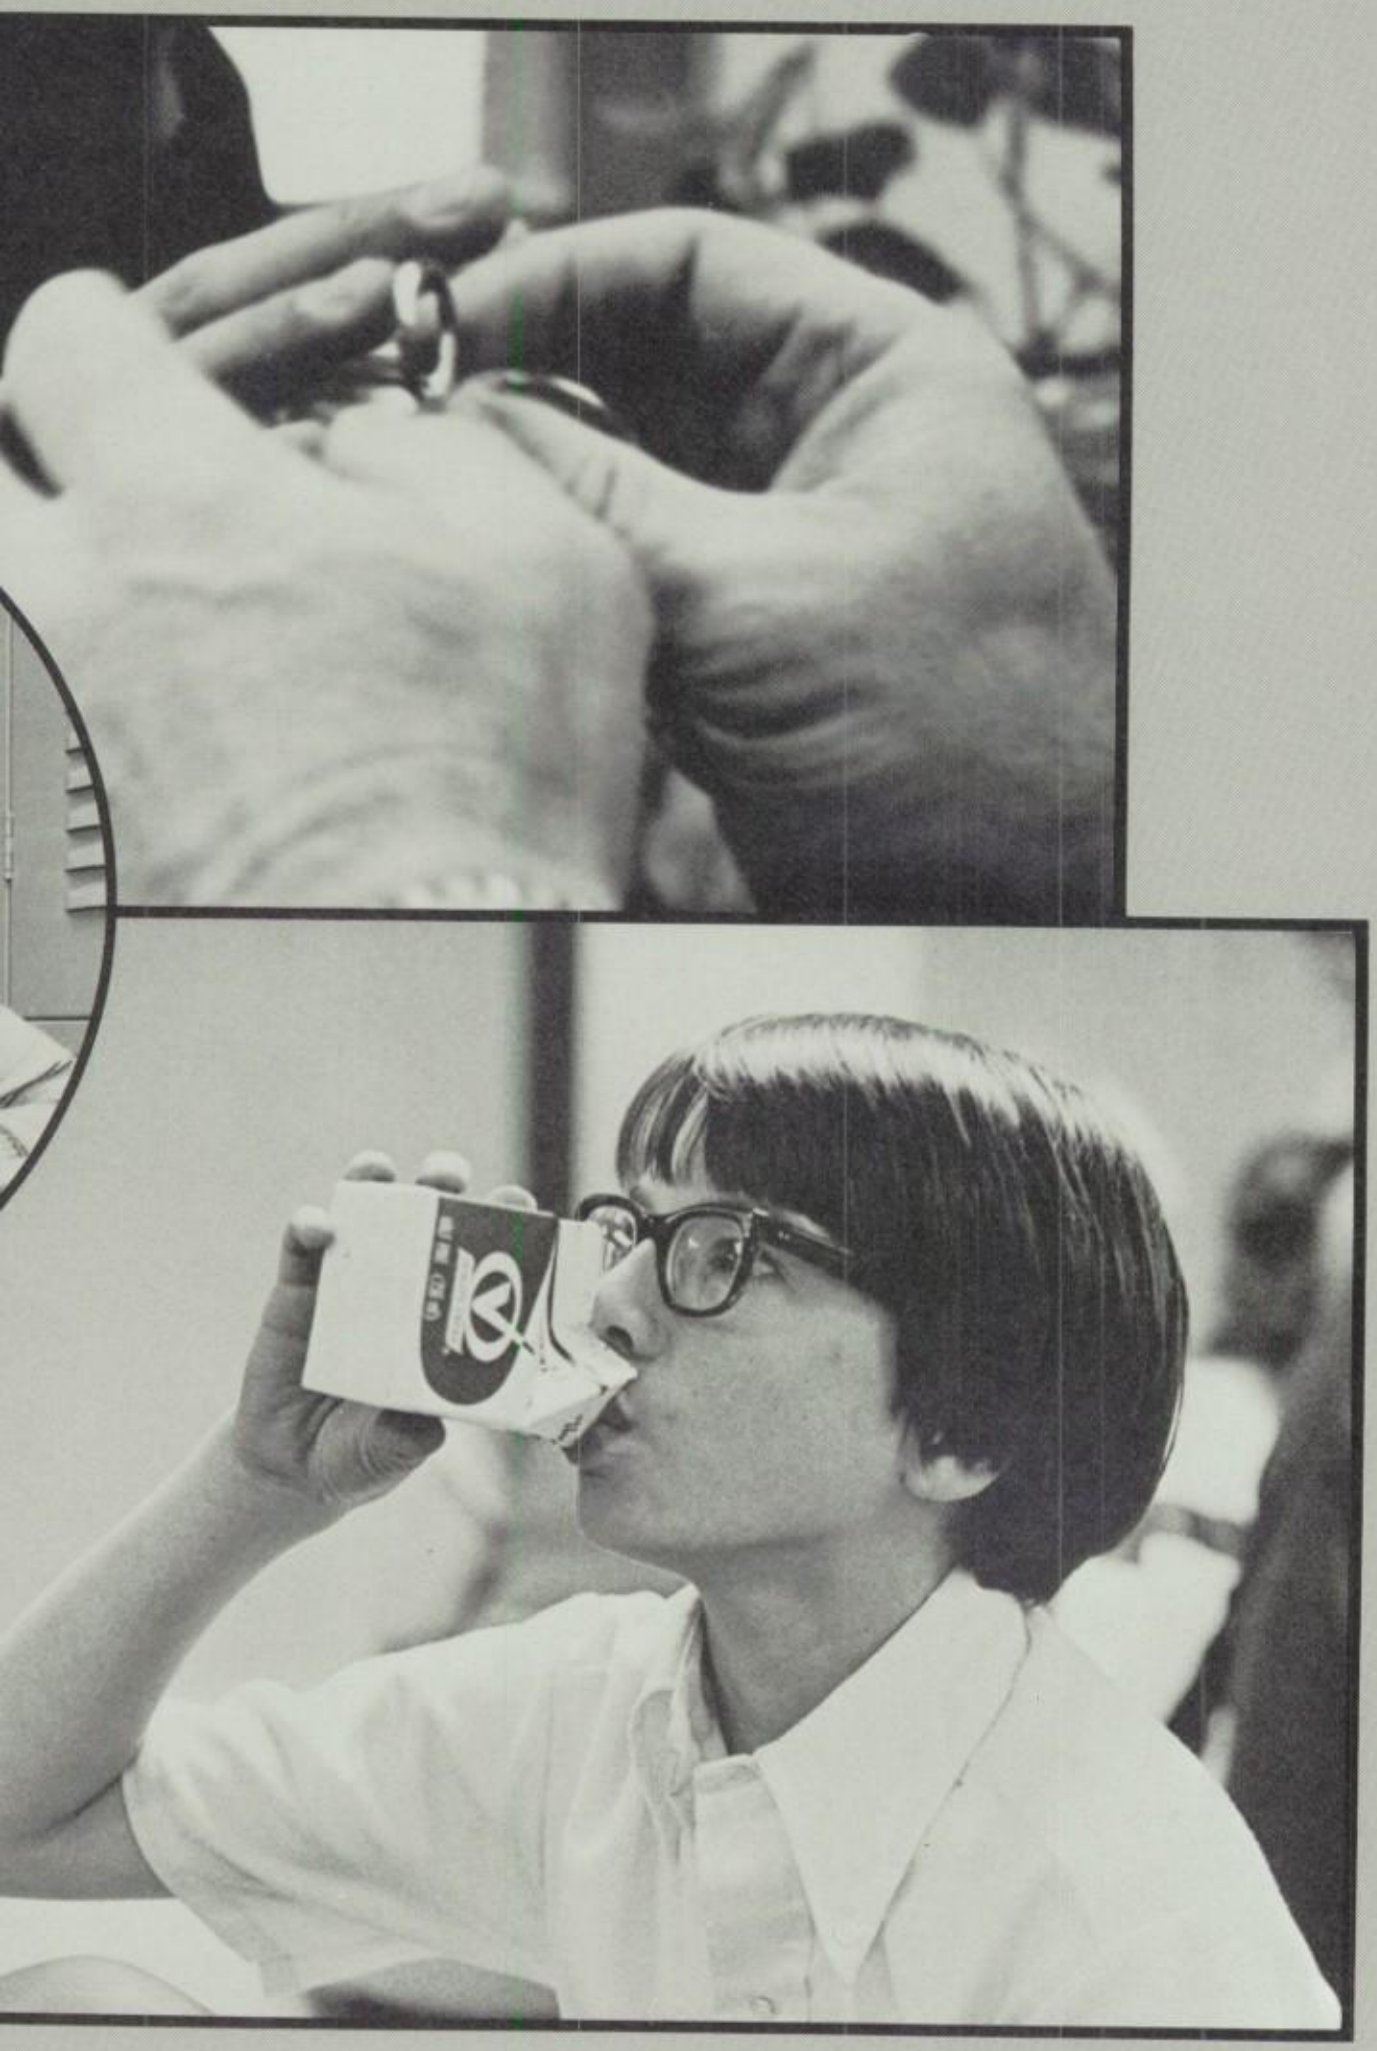
STUDENT LIFE



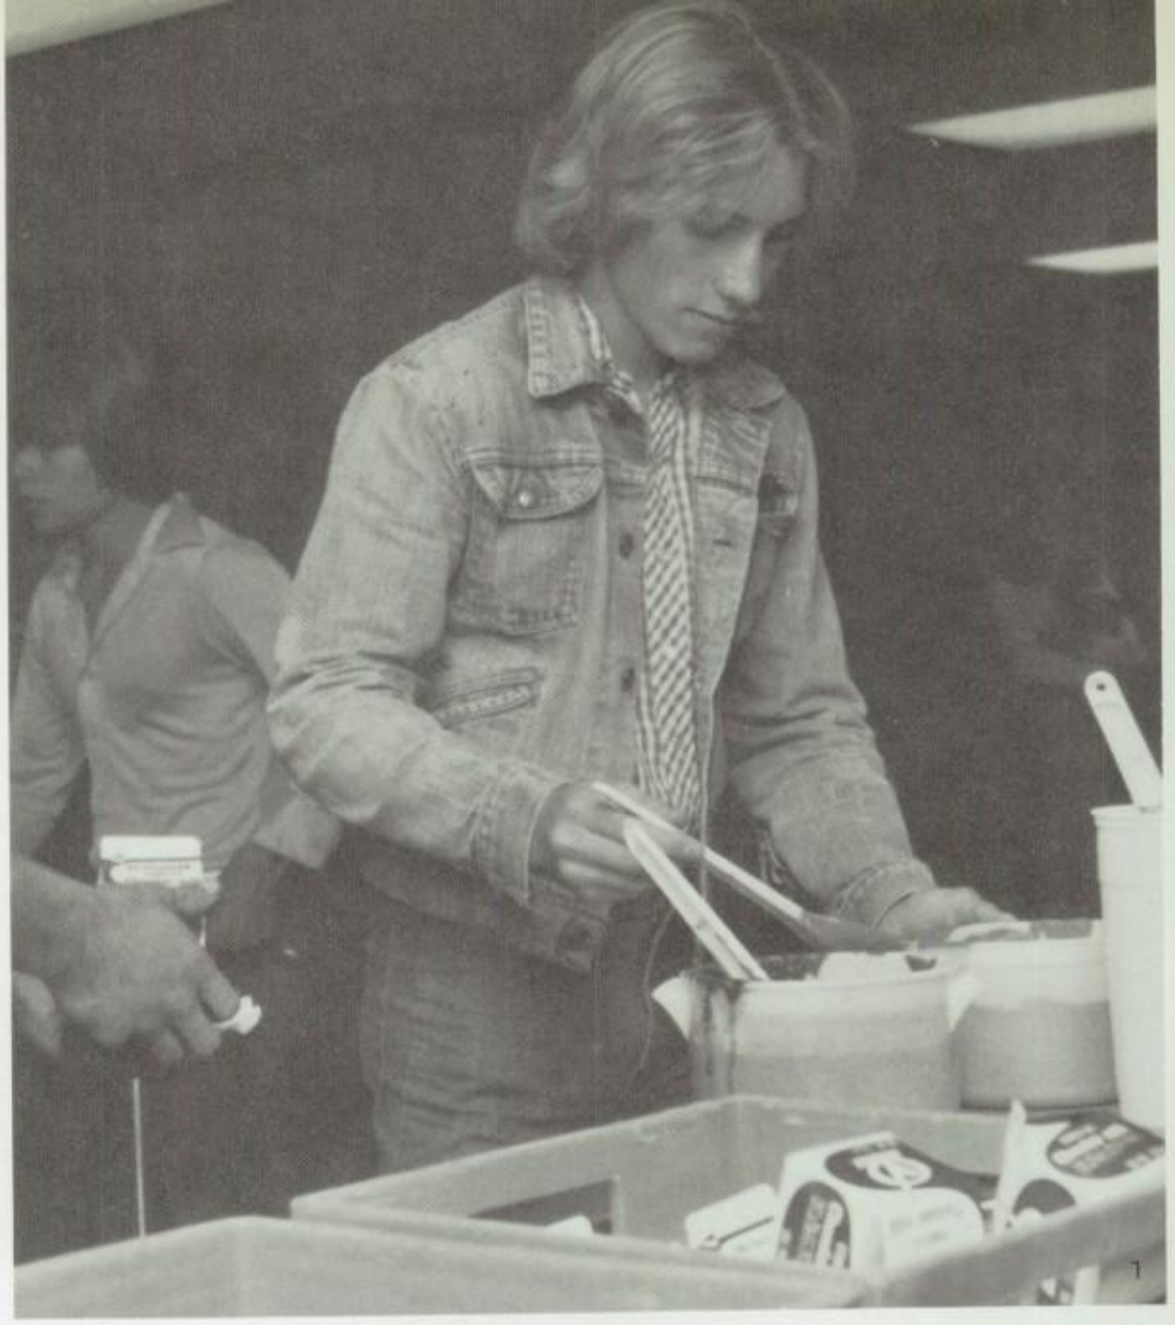
Lunch Time — Munch Time

One of the more important aspects of student life is lunch. Students are very fortunate here, in that they have many things to choose from such as apples, oranges and cookies to pizza, hamburgers and goulash.

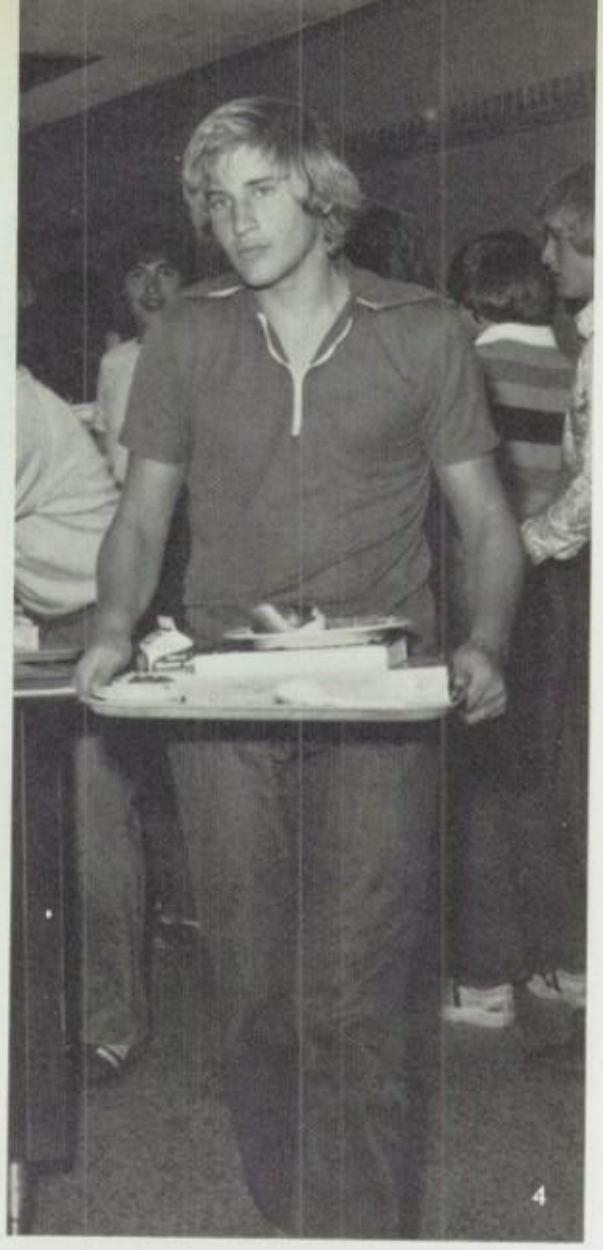
The cooks arrive at the school anywhere from 6:30 to 7:30 in the morning. Then they began the monumental task of preparing food for well over 1,000 students.

In one day, the cooks use anywhere from 60-70 pounds of meat for hamburgers. For these hamburgers, they go through 60 dozen buns a day. They also go through 1,000 pounds of flour and 900 pounds of sugar a month for the 11,000 cookies they make every day.

If you're not really hungry, you can always buy one apple out of the two cases used every week.



1. Steve Tuer prepares his hamburger in the lunch line. 2. Larry Badour looks puzzled over the many choices he has for lunch. 3. Mike Maguire eats a piece of one of the 20 pizzas made with over 90 pounds of cheese. 4. Tom Murray walks away looking forward to eating his hotdog. 5. Scott Hilgendorf looks up as the camera catches him in action.



Students Attend For Many Reasons

Attending athletic events is a major part of high school life for some students. There are many reasons why a student goes to a game. Among them: "its something to do", "because we have a winning team", "get out of the house", and many more.

School spirit was never higher than it was this winter, when our wrestleing team went undefeated and were Big Nine Champs. We also had a very exciting basketball team and that was even more exciting and spirited with the advent of "The Bird".

1. "The Bird" arouses some spirit at a game. 2. Varied interests are evident at a basketball game. 3. "The Bird" before his dramatic birth. 4. Jeff Zdenek watches the football team's first game with interest. 5. Tim McComb and Doug Crowder smile at the camera while at one of the many home basketball games.

Students Learn And Wander

Probably the aspect of student life that a student can identify with most easily, is that of going to class and roaming the halls.

Students have many classes to choose from, anywhere from Art to Trigonometry, Basketball to Physics.

After the new hall policy went into effect, a student was required to carry a pass when in the halls, or face the chance of getting detention.

1. Mike Barrow works on a drawing in one of the many art classes offered. 2. Barry Smith passes some time before class begins. 3. Brian Gerdes looks over some notes before a physics test. 4. Never Finished High School?

With
Davison Community Schools

You already know why it's important to have a high school education. You've probably learned the hard way that it can be pretty difficult to get the kind of job you want without one.

What can you do about it?

Maybe you've thought of trying again to get a diploma, but as a youngster you suffered enough classroom "battle fatigue" and feel incompetent and perhaps too old to try again.

What if we told you that there was a better way to get a high school diploma — an adult way, which gives you regular high school subjects and your choice of practical vocational subjects which can help you get started in one of a number of profitable fields.

That's the Davison Adult High School way. You are taught by teachers who are knowledgeable and who care about your success. You have an excellent opportunity to take advantage of our fine facilities for which you helped to pay. All we ask is that you give one or two nights or one or two mornings per week during the normal school year.

You need not be afraid of dropping out all over again, if you had trouble with school before. We can say this for a number of reasons. One, you will bring to school a vast amount of educational maturity which you did not have before. You will find the Davison teachers helpful. We want you to succeed. Another important point is that we do not stress classroom competition, and encourage students to progress at their own rate.

If you have been out of school for one year or more, give us a phone call and let us give you the facts. This program is entirely free. The Davison Adult High School is a veteran approved school; therefore, eligible veterans can receive full G.I. Bill Benefits.

What do you say? If you are still unsure, give us a call; it won't cost you a thing. To register, simply call 653-3531, ext. 298, for an appointment.

You're in for a pleasant surprise!

Call your community education office today!

UPPER RIGHT: Students have the opportunity to learn many things, among them welding. CIRCLE: Tom Norris and Paul Brown explore the world of biology. FAR RIGHT: A portion of the peanut brittle from chemistry's Christmas lab. RIGHT: The rifle squad of the marching band spent many hours practicing their routines. ABOVE: Greg Morgan and Tom O'Rourke perform an experiment in chemistry class.

Our high school years were filled with successes and failures, triumphs and defeats. We all learned much from these experiences, and maybe that in itself is what Davison High School is all about.

After working on the yearbook for the past two years, I have learned that producing a really good book is also filled with these joys and disappointments. Among the many disappointments were when some pictures that were really needed, either didn't turn out or were lost, as happened this year. But the many good things far out-weighed the bad. Like when we met our deadlines (which did happen), or when we just got super pictures. Some of you will never know what a great relief and how much joy it brings to the staff when the final shipment goes in.

This past year has been fun and a real challange, and I just hope that every one enjoyed this year as much as I did.

There are many people who lent a helping hand to the production of this book and the successes would not have happened without their help, and I, on behalf of the staff, say a very big thank you to: The DAVISON INDEX and their photographer Dave Streit for the Varsity and Junior Varsity Girls Basketball pictures, Lois Fisher and Tom Kaza from Hicks Studio, Jim Hudson, Mike Lafferty and Nancy Bauer of Josten's/American Yearbook Company, John Kielian and Steve Schafer for many of the fine pictures throughout the book. A special thanks to the 1978 DAVISONIAN staff of: Senior Section Editors — Beth Auger, Mary Wakeman, Kathy Wilcox; Business Manager — Jean Houghtaling; Advertising Manager — Zoeanne Herman; Assistant Business Manager — Rick Callesen; Sports Section Editors — Dennis Hammond, Lori Viet; Activities Editor — Dawn Serrels; Activities Section — Denise Smith, Laurie Stiehl; Underclassmen Section Editors — Elgin Clark, Denise Miller, Diane Shoultz; Art and Index Editor — Chris Black; Curriculum Section Editors — Robin Hough, Tim Kidd; Photographers — Shelley Frazee, Diane Lesniak, Ann Martin, Bruce Pearson, Rodger Pfeiffer; Gopher-Dave Segur. They put in many an hour meeting their deadlines. Thanks To the staff of D.H.S. who were so co-operative in our effort to meet deadlines and I.D. pictures. And finally, a very special thanks to Mrs. Simon, who without her to keep us all sane, and her vast knowledge and experience, we would definitely have been very late.

I hope you all enjoy this book and as you look back many years from now, you will have nothing but happy memories.
